## Pickin' for Peters!

John will be performing at Lynchburg Music Center in Lynchburg, VA for a special fundraiser called "Pickin' for Peters" on Saturday, August 14th.

Gary Peters, who has played guitar for John since April 2005, appeared in "The Man Behind The Hammer" video as well as performed on the "ALIVE" cd, was working at home remodeling his kitchen on April 28<sup>th</sup> when an accident severed both his pointer finger and middle finger on his left hand.

In an effort to assist Gary with medical expense, John himself has organized a night of music supported by many area musicians including music from Gospel, Jazz, Folk, Country and Southern Rock.

The Country Adjustment Band will make a rare, special appearance performing some of their most requested songs, such as "Hang on Heart" and "The Castle".

There are limited tickets available for this event and advance tickets can be purchased for \$10.00 at

[www.ticketweb.com](http://www.ticketweb.com) or by calling 866.468.7630.

If you would like to make a donation, you can visit [www.johnsinesjr.com](http://www.johnsinesjr.com) and also be sure to pick up your very own "Pickin' for Peters" T-Shirt to wear to the event

Thank you in advance for your support of Gary!

## New Band Members

Following the awful accident of Gary Peters and the departure of Nate Vest, Ken Harris and Billy Worley both joined John at the same time in an effort to cover for Gary and Nate.

With just only two weeks to get ready for the Inspirational Country Concert at E.C. Glass Auditorium with Jimmy

Fortune - Former Statler Brother and local favorite, Glen Shelton, Ken and Billy worked countless hours to learn John's entire program and committed everything that was requested of them to meet that goal in only five practices.

Ken Harris plays the bass guitar and he contributes to background vocals and is married to Wanda.

Bill Worley plays electric lead guitar and also contributes background vocals.

The both have done an outstanding job and are dedicated to serving God!

Welcome aboard guys!

## Raisin' Heaven

Every day before I start my day, I take a walk. As I begin to walk and talk with the Lord, I'm drawn to the road in front of me and how the pavement is shaded in some places but in others, bright sunlight bounces off the road.

There have been mornings that I've longed to walk in the sunlight when the days were cooler and there have been mornings that I've longed to walk in the shaded areas, to avoid the heat and humidity.

But no matter how cool the morning or how warm, I have to walk through both.

The relief on a cool morning when I come out of the shade and reach the sun light is a wonderful feeling. Likewise, on those warm mornings when I am in the direct sunlight and walk into the shade, it is so refreshing.

This reminds me very much of the Christian walk. As we walk down the road of life, we have those valleys that we go through. Sometimes they are financial struggles, sometimes they are physical and sometimes they can be right unbearable.

But then there are other days that we always wish we had more of. There are weddings or the birth of a child or a great time at a fun filled event.

The days are never bright very long, but they are never dark very long either. We can't avoid them, we have to walk through both, but we never walk alone.

When you are Walkin' with Jesus, He promises never to leave us or forsake us! (*Hebrews 13:5*)

In Christ!  
John Sines Jr
